

RESPONDING TO THE CALL

Promoting Patient Safety & Best Practices

Symposium Overview

Symposium Goals and Objectives

1. To Welcome our colleagues and partners and recognize your contribution and commitment to patient safety for all children and youth in Canada;
2. To Learn more about what is going on at a national level;
3. To Feature current best and most promising practices that are making a difference; and
4. To Identify the unique challenges and solutions that can continue to improve patient safety for children and youth
5. *To Explore new collaborative opportunities to develop a national standardized best practice platform for our unique paediatric health care settings!*

Planting the Seeds – The Afternoon's Game Plan

- **Part 1:** Sit back; listen and learn from each other through a series of short presentations that will stimulate our thoughts and challenge us to explore solutions
- **Part 2:** React and Lead through interactive discussion
- **Part 3: The Outcome**
 - Based on your collective wisdom, a recommended framework for a national action plan aimed at developing national standards and delivery protocols to ensure the safety and well being of children and youth.
