

Transitions and Complex Needs: It's on the Radar!

Eva Szczerba

Associate Director, CAPHC
Montreal, October 15, 2007

Bridging the Gap between Health Centres and the Community

1. “Finding our Way Home”

2. Knowledge Exchange Network

- ❖ Leading Practices – Transitions between Acute Care and Community Settings
- ❖ Tools, templates, links, inventories, program updates, etc.

3. Accreditation Standards

Phase 2 Launch Objectives

- Broaden the Regional Development Process
- Test the Concept of the Program Evaluation Tool
- Identify Priority Areas for Leading Practice Identification
- Identify Potential Knowledge Exchange Network Components
