

**The 2008 Canadian Association of Paediatric Health Centres
(CAPHC) Annual Meeting**

***“Transforming Services for Children and Youth:
Turning Our Thinking Inside Out”***

October 19 – 22, 2008

**The Westin Edmonton
Edmonton, Alberta**

DEADLINE EXTENDED TO JUNE 9th, 2008!

Enter your poster on-line today at: www.caphc.org

The Poster Session at the CAPHC Conference has grown into one of the premier events at our annual meeting, providing an ideal venue to showcase and view innovative research, programs and strategies taking place in the area of child and youth health.

This year, we are requesting posters under the following categories: Clinical Research, Clinical Practice, Family Centered Care, System Innovation and Collaboration & Partnerships.

Posters that have a child and youth rehabilitation focus can also be submitted for display at the Canadian Network for Child and Youth Rehabilitation (CN-CYR) satellite symposium, Trends and Changes in Paediatric Rehabilitation: Impact on Children and Families, on Sunday, October 19.

The highly attended poster session allows for optimal networking and partnership development opportunities through the inclusion of dedicated sessions. New this year, the Abstract Review Committee will be choosing 15 abstracts to deliver oral presentations in an interactive, “walkabout” format, providing a unique way to showcase and view the wealth of activity taking place across the country.

Don't miss out! Enter your poster on-line today at: www.caphc.org

The Early Bird Registration deadline for the 2008 CAPHC Annual Meeting is September 8th, so plan to register early, to take advantage of the discounted rate. The **Preliminary On-line Registration** is now available through the conference website at: www.caphc.org

For more information about CAPHC or the 2008 CAPHC Annual Conference please visit the CAPHC website at: www.caphc.org or call us at (613) 738-4164.

We look forward to seeing you in Edmonton!
