Children's Treatment Network
OF SIMCOE YORK

What is CTN?

- A single point of access
- A single plan of care
- Service delivery via 10 local teams
- Systems infrastructure hosted by partners
- Integrative tools
- Coordinated linkages

Who is CTN?

Over 45 school boards, hospitals, rehabilitation providers, social and community service organizations serving kids with special needs

Children's Treatment Network
OF SIMCOE YORK

Why an Integrated Model for Multi-need Kids?

- Comprehensive, individualized, integrated care located where the child and family are leads to improved outcomes
- Family-centered, strength-based, resilience and capacity building approach leads to improved functioning and participation
- Streamlined access, coordination, continuity of care are efficient and more effective

What Have We Learned?

The solution (and the energy) is in the community

Children's Treatment Network
OF SIMCOE YORK

What Have We Learned?

Cooperation
Coordination
Collaboration

Children's Treatment Network
OF SIMCOE YORK

What Have We Learned?

Leadership

Collaborative working groups
developing system processes,
clinical standards, protocols

Children's Treatment Network
OF SIMCOE YORK

What Have We Learned?

Focus on the Vision

Communicate!

E-bulletin, SharePoint, Website

Celebrate Successes

Children's Treatment Network
OF SIMCOE YORK

What Have We Learned?

Break Down the Silos

Organizations designed from
the perspective of outcomes

Individuals working
inter-professionally
