

Imagine...watching your 9 year old son withdrawing from the world.

Then one day you find your precious child curled up in your back yard crying and saying he wants to die.

How bad was it???

What's helped our son & our family

What's helped our son & our family

Information

What's helped our son & our family

Compassion

What didn't work

- School
- 'Specialists'
- Needing to put my child into the child welfare/protection systems
- That I've needed to 'prove'

*My son
James*

*He, and other
kids like him,
are so worth
all of our
efforts*
