

## Leadership in Community & Home Health Care

A leader in care and innovation since 1908, Saint Elizabeth Health Care is a not-for-profit organization that provides home and community-based health care throughout Ontario, delivering three million visits annually. Recognized among Canada's top employers, our award-winning team of nearly 4,000 nurses, therapists and support workers is known for excellence in client-centred care, best practices, education and mentorship.

We have immediate openings for Paediatric RNs in Wellington County. Within this unique and rewarding role, you will provide child and family-centred care in the home environment. By sharing your high quality nursing knowledge and holistic care, you will make a difference in the lives of children and families by enabling them to remain in their home.

Opportunities available in **Wellington County including: Guelph, Puslinch, Clifford, Palmerston, Mount Forest and Erin**

### Paediatric RNs Full-time & Part-time opportunities (Visiting & Shift Nursing)

**"A strong interest in working with children and youth is required"**

**Here are many reasons why you will want to bring your talent to our team:**

- You will be part of a distinguished Canadian, not-for-profit organization with a century of experience
- You will experience opportunities to use many of your skills and expand your nursing knowledge
- You will be part of an organization that is a leader in web-based learning
- You will be part of a pioneering organization known for innovation, creativity and responsiveness in community health care

**We Offer:**

- Supportive team environment with 24-hour clinical support
- Ongoing opportunities for continuing education, training and professional development
- Total Rewards program which includes group benefits, and pension plan for both full and part-time staff
- Education bursaries
